

Exiting the Concert Hall After the Performance

Just like last year, we'll be announcing each school group's name from the stage at the end of each performance. Here's how it will work:

- 1) Each group will be dismissed by name from the stage via microphone, so please stay seated until your group's name is called, and then stand and exit quickly and quietly.
- 2) Teachers, please take your group and exit through the same door you used to enter the auditorium. Stay together as a group and proceed to where the buses are lined up along the East side of McCormick Rd. next to the West Range of the Lawn
