

**IMPORTANT: UPDATED 10/12/11**  
**2011 YC NEW Bus Drop-Off/Pick-Up and Waiting Plan**

**There is construction along McCormick Rd. at UVA, so we have moved the bus drop-off and pick-up locations. Please communicate this information to your bus driver and please download the map that includes the NEW BUS STOP LOCATIONS, and NEW BUS WAITING AREA.** Charlottesville City School music teachers can count on Jeff Suling to convey this information to the CCS bus drivers, but they should still read the information so they know what to expect.

**NEW Bus Drop-Off Location**

The new bus drop-off point is along McCormick Rd on the Southeast side of the street between Minor Hall and Clark Hall. As soon as students unload from buses, the buses must move to Onesty Hall near U-Hall, accessible from Copley Road. Please see Map.

From Ivy Rd: Buses enter Alderman Rd. heading South. Turn left at the traffic light onto McCormick Rd. Follow McCormick through the first set of gates (the arm will be raised), cross the bridge that goes over Emmett St., and stop on the right side of the road between Minor Hall and Clark Hall to unload.

From Jefferson Park Ave: Buses enter Maury Ave. which becomes Alderman Rd. Follow Alderman North and turn right at the traffic light onto McCormick Rd. Follow McCormick through the first set of gates (the arm will be raised), cross the bridge that goes over Emmett St., and stop on the right side of the road between Minor Hall and Clark Hall to unload.

**NEW Bus Pick-Up Location**

The bus pick-up point is along McCormick Rd on the South side of the street next to Thornton Hall. A volunteer located at Onesty Hall will send the buses to pick up all students at the end of each concert. Schools who are staying for lunch on the Lawn should make arrangements with their bus drivers about when they will be picked up. Pick-up must be at this new location, and should also take place prior to 1:30PM.

From Ivy Rd and Onesty Hall: Buses enter Alderman Rd. heading South. Turn left at the traffic light onto McCormick Rd. Follow McCormick through the first set of gates, which will be raised until 1:30PM, and stop in front of Thornton Hall to load students following each concert.

From Jefferson Park Ave: Buses enter Maury Ave. which becomes Alderman Rd. Follow Alderman North and turn right at the traffic light onto McCormick Rd. Follow McCormick through the first set of gates, which will be raised until 1:30PM, and stop in front of Thornton Hall to load students following each concert.

**NEW Bus Waiting Area: Buses may NOT wait along McCormick Rd. during the concerts. Buses that need to wait for students MUST wait by Onesty Hall. See Map for information.**

**Plan Ahead for Traffic**

Please arrive in plenty of time to walk from the parking and drop-off points to Old Cabell Hall. There will be a lot of traffic congestion that morning. The performances will begin promptly at 10:00AM and 11:30AM.

**Volunteers**

Volunteers from CUSO will assist with traffic flow for the buses. They will show the bus drivers where to stop and they will also assist in directing students and teachers from the parking garage and bus stop to Old Cabell Hall. Please ask your drivers to heed their directions for unloading, parking and loading.
