

Exiting the Concert Hall After the Performance

(Revised 9/30/11)

We will announce each group's name from the stage at the end of each performance. Here's how it will work:

- 1) Each group will be dismissed by name from the stage via microphone, so please stay seated until your group's name is called, and then stand and exit quickly and quietly.
- 2) Teachers, please lead your group to exit through the same door you used to enter the auditorium. Stay together as a group and proceed to where the buses are lined up along the East side of McCormick Rd. next to the West Range of the Lawn
